WHAT IF I WANT A PHYSICAL TICKET?

Fear not! No action is required until you get to the park...

When you arrive, head to a Guest Services window at Universal Studios, Islands of Adventure, Epic Universe or Volcano Bay to collect your physical ticket.

You will need a credit card in the lead guest's name (it doesn't need to be the card used to purchase) for identification.

Simply enter your **Universal Confirmation Number** (highlighted above) to retrieve your ticket.

You can also link it to the Universal app afterwards!
